SUBJECT: GHANA ON SUDAN SANCTIONS

REF: STATE 073696

11. (SBU) On May 30, Polchief discussed reftel points on Sudan sanctions with the MFA's Supervising Director for Africa and the African Union, Mr. C.N.A. Kotey. Kotey replied that Ghana would have no problem supporting the U.S. on these sanctions, adding that the Foreign Minister would support even stronger sanctions, given the GOG's frustration with the lack of progress in Sudan. Post subsequently sent the relevant talking points and background information as a diplomatic note.
